## Aisin Welcomes!

AUM welcomes our new Occupational Nurse, **Jackie Day!** Over the past 30 years,

Jackie has worked in a hospital, physician's office, an Occupational Health Center and in manufacturing facilities helping people. She is married with 3 grown children, one of whom works here at AUM. Jackie is the proud grandmother of 5 grandchildren and loves to spend time with them and watching NASCAR. Let's give her a warm welcome to AUM!

# Blood Drives

AUM will be sponsoring blood drives this year. **Indiana Blood Center** must see at least 620 volunteer blood donors each day

to ensure a safe and adequate blood supply for Hoosier

Hospitals which includes Schneck Medical Center, Columbus Regional Health, IU Health Riley Hospital for Children, and the IU Simon Cancer Center just to name a few. Each year Schneck Medical Center uses over 2,500 blood products supplied by Indiana Blood Center, yet only 800 of these units are donated locally in Jackson County.

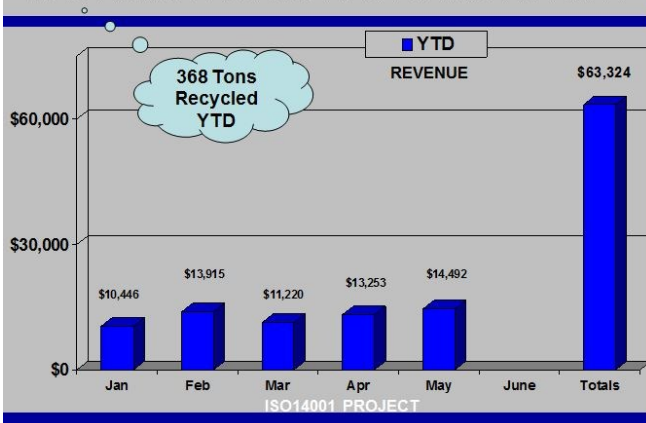

Most people are eligible to donate. There are very few causes for deferral and very few medications that are not acceptable. Donors cannot be taking antibiotics for infection. Cancer patients must be one year cancer free. Heart patients must be 6 months symptom free. Diabetics can donate. It is recommended that donors have a light snack before donating. **DO NOT FAST**—feel free to have some of our juice and cookies. Be sure to bring your picture ID!

The entire process of donating takes less than an hour. Tests for cholesterol, blood pressure, blood type, and iron are included in your donation. Indiana Blood Center will be onsite so please check for postings of upcoming blood drives!

## Recycling

### 2013 AUM PLASTICS RECYCLING ACTIVITY

AUM recycled 368 tons January-May of 2013!

This turned into \$63,324 of revenue.

Congratulations! We would like to encourage everyone to continue to recycle. The proper recycling receptacles can be found throughout AUM. Thanks for everyone's participation!
